# THE AAA WAIVER

## Reference Guide to OHF AAA Adjacent Zones (2019 - 2020)

1. Use of Chart: The AAA associations listed below the underlined association are considered to be adjacent to that AAA zone. I.e. a player in possession of a valid waiver from Barrie is eligible to tryout with Grey Bruce, North Central and/or York Simcoe.
2. AAA Centres in CAPS are part of the "Lake Ontario Region". A Waiver from a "Lake Ontario Region" AAA Program in compliance with OHF Regulation E42 makes a player eligible for any AAA program in the "Lake Ontario Region", subject to import quotas on those "Lake Ontario Region" AAA teams.
3. NOHA Resident Players will utilize the NOHA Permission to Skate/Release in place of the AAA Waiver. Once received, they are eligible to tryout with North Central Zone and follow the OHF AAA Waiver process.
